■ **ABSTRACT** : Museums are the surest way of gaining a clear and detailed understanding of the rich culture, traditions, arts, history, crafts and other notable features typical to a region and also offer us an opportunity to glimpse at some of the rarest and finest articles to be ever found in the world. Rajasthan has a number of museums with a most delightful collection of display. A survey was conducted to gain information regarding the profile of museum from the head of the museums of Rajasthan.

■ **KEY WORDS** : Museum, Historic textiles

■ **HOW TO CITE THIS PAPER** : Choudhary, Manisha and Babel, Sudha (2013). Profile of the museums of Rajasthan state *Asian J. Home Sci.*, 8 (1): 170-174.
