■ **ABSTRACT** : The earliest recorded history revealed that man decorated the fabric surface with natural sources perhaps his clothing first, than the other items necessary for his existence. India has a rich cultural heritage and its traditional printing is a great source of inspiration for apparel decoration.

■ **KEY WORDS** : Traditional block printing, Craftsmen

■ **HOW TO CITE THIS PAPER** : Babel, Rupal and Mehta, Sonu (2013). Exploring the problems of craftsmen involved in traditional block printing. *Asian J. Home Sci.*, **8** (1): 82-85.
