■ **ABSTRACT**

The purpose of the study was to compare the personality differences of Ist and IVth position holder kabaddi male team players of North Zone. Personality differences scores of male kabaddi team players were collected during Inter University North zone male kabaddi championship, 2016 held at Guru Gobind Singh Indraprastha University, Sector-16 C, Dwarka, Delhi from 10th November to 14th November, 2016. The results showed no significant difference in personality, differences in introversion and extroversion between Ist (M.D. University, rohtak) and IVth (C.C.S. University, Meerut) position holder male kabaddi team.

■ **KEY WORDS** : :- Personality differences, Kabaddi team, Northzone level status
