**SUMMARY :** The present study was conducted in College of Agriculture, Latur under Marathwada Krushi Vidyapeeth, Parbhani (M.S.) in 2010-11. The study was conducted in Latur district. Three tahsils and four villages from each tahsil were selected randomly. Ten respondents from each villages were selected to comprise a sample of 120 respondents. The respondents were personally interviewed and the data collected were processed and statistically analyzed by using statistical techniques like frequency, percentage, for the study nine various statements were selected to measure the constraints faced by the rural youth in rural development activities.
